2. This act shall take effect immediately.

This bill would expand upon current law to provide that the following persons also would be entitled to free admission to State parks and forests: (1) an active member of any branch or department of the Armed Forces of the United States, or reserves component thereof; (2) a veteran; (3) a first responder who is a resident of New Jersey; and (4) any immediate family member of a person who qualifies for free admission to a State park or forest.

Current law already provides free admission to State residents who are active members of the New Jersey National Guard, totally

- 1 disabled, or 62 or more years of age. This bill would expand that
- 2 eligibility to the categories of persons described above.
